Our Mission

The YMCA puts Christian principles into practice through programs that build healthy spirit, mind, and body for all.

For Youth Development

The Y provides youth development programs before and after school at the Y and in three sites; prepares early learners for kindergarten; promotes the benefits and love of lifelong physical activity to hundreds of children in our tennis, aquatics, and youth sports programs.

For Healthy Living

Healthy living becomes real at the Y for people of all ages. Programs focused on seniors help them reclaim or maintain their health with better balance, relief from arthritis restrictions, and social interaction. Encouraging all members to be active, to practice proper nutrition, and maintain healthy relationships is the core of our healthy living programs.

For Social Responsibility

We are building a stronger community through supporting charitable giving and advocacy for healthy living and youth development. We enable people from all walks of life and neighborhoods to come together at the Y for a common cause and to build healthier relationships.

Please review a full list of Child Watch guidelines online and posted in the Child Watch room. Here are a few things to know before coming to the program.

- Parents/guardians must be in the YMCA or participating in a YMCA program to leave their children in the Child Watch room. If you leave the building for a run/walk you MUST provide a cell phone number and location.
- The YMCA is not responsible for personal items brought into the Child Watch room.
- Please check your child's diaper/pull-up before dropping off your child to be sure your child is clean & dry. Children potty training should use the bathroom before being dropped off. Parents must supply diapers/pull-ups, wipes, change of clothing and snacks.
- Choose your snacks carefully...we have several children with peanut allergies that attend our program. An updated list of approved snacks is available in the room.
- Parents will be asked to come and pick up their child if they have been crying longer than 15 minutes.
- Children who are ill may not stay in the Child Watch room.

Zoe for President Nationwide Campaign

Who is Zoe? This is a nationwide YMCA fundraising campaign highlighting Zoe, a 1-year-old toddler running for President...eventually! Zoe represents the potential the Y sees in every child. And whether they want to be a teacher, a firefighter or president of the United States, Zoe shows that with the Y's support, all kids have the opportunity to become their best selves. The Y give kids like Zoe what they need to thrive. **Together we can work to make sure all children reach their full potential.**
