March 15, 2020

Dear YMCA School-Age Care Family:

Together, we are facing a health crisis in our community. To further support the Governor's request for social distancing, the Y will close our facility to members effective Sunday, March 15<sup>th</sup> at 5pm. This includes the suspension of care for school age children. We apologize for the inconvenience this may cause while recognizing that we are unable to offer this type of program at this time. Child care payments have been suspended until further notice. We will review crediting or refunding the payment that was collected on March 13 once we are informed of the schedule for the remainder of the school year.

Please note that the Butterbraid delivery has been postponed until further notice.

The YMCA facility closure will extend until state officials and health experts advise our leadership that it is wise to resume normal operations. Visit our website for additional closure details and information. We appreciate your understanding as we navigate these uncharted waters. We encourage all our members to heed the advice of the CDC and state authorities while also leaning on your faith. Philippians 4:6-7 tells us, "Be anxious for nothing, but in everything by prayer and supplication, with thanksgiving, let your requests be made known to God; and the peace of God, which surpasses all understanding, will guard your hearts and minds through Christ Jesus."

Please contact us by email, phone, or Remind message if you have any additional questions or concerns.

Sincerely,

Karen Walker, Youth Development Director, [karen.w@waynesboroymca.org](mailto:karen.w@waynesboroymca.org)

Gretchen Robinson, Youth Development Coordinator, [gretchen@waynesboroymca.org](mailto:gretchen@waynesboroymca.org)
