March 15, 2020

Dear Genesis Learning Center Family:

Together, we are facing a health crisis in our community. To further support the Governor's request for social distancing, the Y will close our facility to members effective Sunday, March 15<sup>th</sup> at 5pm.

**However, the Genesis Learning Center will remain open during this time**, unless we are mandated to close. This care is optional for families who feel comfortable sending their child to care or who are in need of child care during this time. If current circumstances are causing financial hardship, please contact me directly so we can work together to resolve the situation. When bringing a child to the Genesis Learning Center for care, you will need to enter and leave the building through the doors under the awning facing 2<sup>nd</sup> Street (the Faith room doors). All other entrances to the YMCA will be closed until the facility reopens. As always, we will be diligent in handwashing, and cleaning and disinfecting throughout the day.

Please note that St. Patrick's Day parties, Spring Photos, and Butterbraid delivery have been postponed until further notice. We are also not able to offer swim lessons or school lunches during this time.

The YMCA facility closure will extend until state officials and health experts advise our leadership that it is wise to resume normal operations. Visit our website for additional closure details and information. We appreciate your understanding as we navigate these uncharted waters. We encourage all our members to heed the advice of the CDC and state authorities while also leaning on your faith. Philippians 4:6-7 tells us, "Be anxious for nothing, but in everything by prayer and supplication, with thanksgiving, let your requests be made known to God; and the peace of God, which surpasses all understanding, will guard your hearts and minds through Christ Jesus."

Please contact me by email, phone, or Remind message if you have any additional questions or concerns.

Sincerely,

Karen Walker, Youth Development Director
