

To our valued members,

The Y has been here for Waynesboro for 105 years. As one of the largest non profits serving our community, our Y is constantly asking, "How can we help?". We have and will always be ready to serve our community. And as the community responds the Covid -19 pandemic, the Y is pivoting how we serve Waynesboro. While our facility is closed in order to fully support the Governor's request for social distancing, the Y still here for you Waynesboro! During closure we will be preparing to make future programs even better, making good use of time to perform annual maintenance as well as thoroughly sanitize our facility. The Y recently launched our "Virtual Y" which helps you and your family stay engaged, connected and active during our closure. If there is more we can do to help you... just let us know. We are here for you Waynesboro!

There is one thing you can do for our Y. Right now, we are asking you stick with us if you can. Your membership dues are helping our organization sustain our organization and will help us to be resilient during chaotic times. Members who continue to pay their monthly dues are allowing our Y to serve our members, our employees and our community. We are asking you to help us by remaining a sustaining member.

For 105 years, the Y has been here for Waynesboro and this pandemic will not change that. The Y is here for good. While we are confident in our ability to serve our community for generations to come, we realize there will be challenges. By remaining a sustaining member of our Y, you will be helping us to combat so many of these challenges. Thank you to those members who choose to remain with us. We are proud to serve you and appreciate your support.

We have the opportunity, right now, to decide what the future looks like. And with your support that future includes a resilient and steadfast YMCA . Thank you for allowing us to continue to work towards our mission: To put Christian principles into practice to promote healthy, mind body and spirit for all.

Respectfully,

Amanda Gietka  
Executive Director  
Waynesboro Area YMCA

**REMAIN A SUSTAINING MEMBER:**

If you are able to, keep your membership active and encourage your friends and family to do the same. Our Y will continue to collect automatic monthly payments during the closure. We appreciate the faith and investment sustaining members make by keeping their membership active. If you prefer to place your membership on hold, please do so by contacting us at [service@waynesboroymca.org](mailto:service@waynesboroymca.org) We understand that every member must make the best decision for their situation and we respect that whole heartedly.

**CONTRIBUTE:**

Contributions of any size are greatly appreciated! Financial generosity now will allow the Y to serve Waynesboro throughout the coming weeks and months. The Y is charitable organization and all donations are tax deductible. [Make your donation here!](#)

**Program specific payments & credits:**

Please note that all automatic payments associated with our licensed child care programs have been suspended effective March 16th. Once we have more information on when the Y can return to regular operations we will explore the best way to credit those members who were auto-drafted for care on March 13th. Anyone in dire financial hardship in need of refund should contact us at [service@waynesboroymca.org](mailto:service@waynesboroymca.org). We are working to accommodate everyone's situation while attempting to avoid confusion when regular service is restored which is why we encourage credits to be used towards future services. Please note, credits for fitness and aquatic programs will also be evaluated once the Y can return to regular operations.
