April 7, 2020

Dear Valued Members,

Thank you to all of our members who are sticking with us! And thank you to those who continue to make contributions to our Y! While the Y's doors are closed, our team has found ways to continue to serve our community. We appreciate everyone's flexibility and understanding as we continue to navigate these uncharted waters. However, we respect that every member's situation is different and we are happy to place your membership on hold until the Y re-opens. If you wish to hold or cancel your membership you should make our team aware before the end of the day on Friday, April 10th.

If you are able to stick with us throughout the closure... we thank you! Your membership allows us to keep working, planning and serving you and our community. Our staff has been able to perform maintenance projects and thoroughly clean the facility. Recently, our Y opened a respite child care program for children of essential medical workers. Our group instructors have been able to stream classes to help keep you fit and connected while at home. And because we know this too shall pass, we are hard at work planning the BEST SUMMER EVER! Because our Y has served Waynesboro for 105 years and we want to assure you we are here for you when our community returns to "normal".

To show our appreciation for your continued support, the Y will recognize your April monthly membership dues as a contribution to our mission. Your contribution to our charitable organization is 100% tax deductible. At the end of the year you will receive a contribution acknowledgment to use when filing your 2020 tax returns.

The Y understands this is a challenging time for everyone, and we know that our members are making many difficult choices. Thank you for choosing to stick with us!

Any questions or concerns can be directed to our Membership team via email at service@waynesboroymca.org.

We hope to see you at the Y soon! Stay healthy and faithful.

Respectfully,
Amanda Gietka
Executive Director
Waynesboro Area YMCA
