Dear Waynesboro Area YMCA Child Care Families:

We are nearing the close of another school year which means it is time to register for Before and After School Care for the 2021-22 school year. Children currently enrolled in a Waynesboro Area YMCA child care program have first preference to register until May 16.

The registration process is:

1. Both electronic and paper registration forms are available. If you would like to receive the electronic version of the registration forms, please contact me directly (contact information at the end of this letter) and I will email the forms to you. If you would like to receive paper registration forms, you may contact me directly or ask a staff person at your child's care site and I will get the forms to you.
2. There are four forms to be returned in order to register your child: the registration form, the emergency contact form, the enrollment agreement and the automatic payment form. (If your child does not have a current child health report on file with us, it needs to be returned to the Youth Development office by July 1, 2021.) Forms can be returned via email, to your child's care location, or to the Member Services desk at the YMCA.
3. Registration fees (\$25 per child for before school care and \$25 per child for after school care) will be collected using the payment method provided for automatic child care payments on the registration forms. A registration fee will be collected once all required documents have been received and verified as having all required information. You will receive confirmation of the registration fee payment and enrollment.

If you have any questions, please let me know. It has been a pleasure to work with all of you this year, especially through the challenges it contained. I wish you a wonderful spring and summer!

Sincerely,

Karen Walker, Youth Development Director
