

# WAYNESBORO AREA YMCA MIDDLE SCHOOL ENGAGEMENT

Welcome to the YMCA's Middle School Engagement program (MSE) for the 2025–2026 school year! The BASC Program incorporates the values of caring, honesty, respect and responsibility into practice through programs that build healthy spirit, mind, and body for all. We believe that these values give a solid foundation for children to play, thrive and succeed. This program is proudly supported through the generous funding of the United Way of Franklin County. This letter is to address some important items in advance of that hectic first day of school and we look forward to your child's participation in our MSE program.
