

Our members and friends call us THEIR Y. We call them OUR greatest resource—the thousands of people who work alongside us and support our work to help our neighbors learn, grow and thrive.

Through our **PARTNER & PATRONS BANNER PROGRAM**, our Y seeks to attract, recognize and honor those local partners who give substantial support to our Y that allows us to better serve our community. Your contribution makes the Y available for the kids, families, and seniors who need us most.

The Waynesboro Area YMCA Mission in Motion:

- 20,000 people from all ages, backgrounds and incomes are touched by our Y every year.
- \$41,000 is provided in financial assistance and subsidy to those in need.
- 30 youth make friends and achieve goals in Day Camp.
- 140 children stayed active and engaged in our Youth Basketball Program
- 5 school locations ensure that 240 youth have a safe place to go before and after school.
- 80 kids learn lifesaving skills in our pools.

Yet there is so much more to do.

Our community faces new challenges that create a greater need for the work we do. Fortunately, where some see obstacles, we see opportunities for our members, volunteers, staff, and generous donors like you to make a difference. With our **After Hours**, the community has access to the Y, working out on their schedule as we keep changing with the times. No other organization can impact as many people as powerfully as we do every day.

The power of a Y partnership gives local businesses, organizations and individuals an opportunity to make a meaningful enduring impact in our neighborhood. Our **PARTNER & PATRONS BANNER PROGRAM** allows your business to make an annual donation of \$250 or more and we recognize your gift with a personalized digital banner displayed in the Y. You make our community better and the “us” who live in it stronger. Every dollar you give to the Y’s Annual Campaign can change the life of a child, teen or a family in need. No one is ever turned away.

Thank you for your generosity and support,

Kathy Bostic
