Everyone can be apart of this Digital Banner Program:
Recognition For Your Business,
Share Your Organization,
Memorialize Your Loved One.

The digital banner is a way for us to publicly thank you for your support, and positions you as a civic leader who cares about the health of our community's children, families and seniors. Your support translates to life-changing Y programs, no other organization can impact as many, as powerfully, as the Y does every day.

COMMUNITY
GROWS
HERE

The power of a Y partnership gives local businesses, organizations and individuals an opportunity to make a meaningful enduring impact in our neighborhood. Our **PARTNER & PATRON BANNER PROGRAM** allows you to make an annual donation of \$250 or more and we recognize your gift with a personalized banner displayed in our Wellness Center and Member Service area for one year*. All proceeds will go to our Partner With Youth Campaign to provide youth and family scholarships.

Throughout our long history, the Y has become an important part in the lives of so many people. Through the **Banner Program**, you can honor someone special today and let their memory live on through the Y's work to serve our community. The banner will serve as a tribute to a loved one while directly benefiting so many others. Together, we can make our communities stronger!
