RE: **Inclement/Winter Weather Policy & Communication for Child Watch**

As we are near the end of 2025 and preparing for the start of a new year, we are reminded that weather conditions may cause an unplanned change to the local school district approved calendar. In the case your child's school district adjusts the school day schedule due to unforeseen weather conditions or other unexpected circumstances, the Child Watch program will operate as follows:

- If the WASD school district starts on a delayed schedule, **NO "AM" Child Watch CARE** will be held. After school care will be held if the district dismisses at the regular time.
- If the WASD school district dismisses early (except for planned early dismissal days that appear on the district calendar), **NO "PM" Child Watch CARE** will be held.

Waynesboro Area Y Child Watch communications will be sent via **Remind App**. Sign up if you would like to receive closing notifications and other Child Watch information.

Complete the following steps to sign up for the **Remind App**:

- Download Remind App from your App store
- Either click on the invitation link <https://www.remind.com/join/cw-ymca>
Or go to the App and use the class code: **@cw-ymca**
- Create your account using your phone number or email address
- Any difficulty joining, please let Child Watch staff know you need assistance or call 717-762-6012 ext. 107, or email amy.d@waynesboroymca.org

Thank you for your attention to this. Have a safe winter!
